HAPPY MAE V. CARPIO

Information Technology Student

Phone: 0956 698 2467 **Email:** carpiohappy2@gmail.com **Location:** Damortis, La Union

Age: 19 years old

CAREER OBJECTIVE

Motivated and detail-oriented first-year Information Technology student at the University of Eastern Pangasinan. Eager to build a strong foundation in software development, computer hardware, and system networking. Seeking opportunities to apply technical concepts, collaborate on innovative IT solutions, and contribute effectively to academic and professional tech environments.

EDUCATION BACKGROUND

Bachelor of Science in Information Technology **2025 – Present**

University of Eastern Pangasinan | Section BSIT-1A

Currently pursuing fundamental coursework in computer logic, programming principles, and database management.

Senior High School Diploma **2025 – 2026**

Damortis National High School

Graduated with foundational academic training preparing for higher education in technology.

TECHNICAL COMPETENCIES

- **Programming Fundamentals:** Basic logic, flowcharting, and introductory algorithms
- **Computer Basics:** Operating system administration & hardware assembly concepts
- **Productivity Tools:** Proficient in Microsoft Office (Word, PowerPoint, Excel) & Google Workspace
- **Web Fundamentals:** Understanding of basic HTML structure and digital interfaces

CORE SKILLS & STRENGTHS

- **Problem Solving:** Analytical mindset with logical approach to assignments
- **Team Collaboration:** Adaptable team member in group projects and lab tasks
- **Communication:** Clear verbal and written interpersonal communication
- **Continuous Learning:** Highly eager to master new software tools and tech stacks

RELEVANT ACADEMIC FOCUS

- Introduction to Computing & Information Technology
- Computer Programming Basics
- Fundamentals of Database Systems
- Computer Hardware & System Maintenance
